ABOUT OSTC

KEEP YOUR TAX DOLLARS LOCAL AND MAKE A BIG IMPACT

Through the Opportunity Scholarship Tax Credit (OSTC), a business can redirect its tax liability by donating to an eligible scholarship organization, like Children's Scholarship Fund Philadelphia (CSFP).

In turn, CSFP provides low-income Philadelphia children with scholarships to attend quality, K-8th grade private and parochial schools of their choice and you get 90%* of that donated amount credited against your corporate state taxes.

By combining these tax credits with federal deductions for charitable gifts, the scholarship donation is virtually cost-free to businesses.

*Businesses that commit to OSTC for two years get a 90% credit. The credit is 75% of the donation amount for a one-year commitment by the business. The longstanding Education Improvement Tax Credit (EITC) program is fully subscribed through June 30, 2015.

KEEP YOUR TAX DOLLARS LOCAL AND MAKE A BIG IMPACT

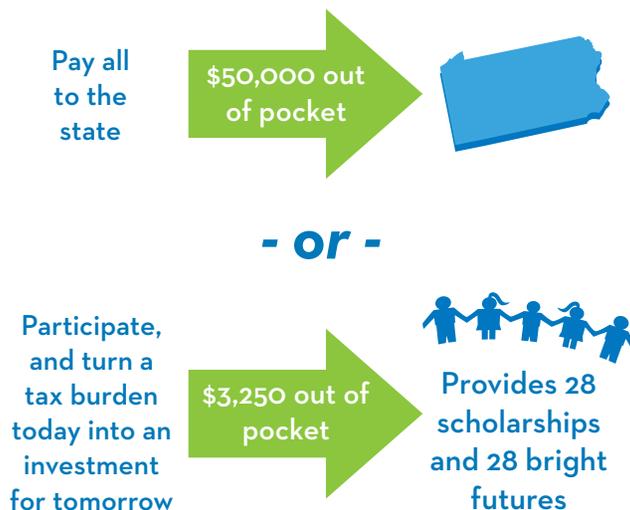

The PA Educational Tax Credit programs give businesses of any size up to a **90% STATE TAX CREDIT**. You can make a strategic investment in low-income Philadelphia children for pennies on the donated dollar.
